

October 6, 2020

Dear parent or carer

If you have tried to log in to wise pay, to top up money for lunches, you will have noticed that the system is experiencing an outage. Wise pay are working to get their system up and running asap but they can not give us an exact timeline for this.

In the meantime, there is a machine in reception that students can put cash into to top up their cards. All students were shown this on the first day of term. If any student is in any doubt, please ask them to speak to their form tutor or reception.

Please note the machine does not accept £20 notes and we do not carry enough money to give out change.

Regards

Mrs E Platten
