Dear parent or carer

As part of the process of progressing into the UTCN Sixth Form in September 2021, your son/daughter must apply via our website. The link can be found using the button below.

Next year, students can either study Level 3 Engineering, A Level Plus Programme, T Level Transition Programme – Engineering or T Level Transition Programme – Digital. If you would like more information on these courses, please click [here](#) for our online prospectus.

We also have our Year 12 Open Evening coming up this week on Thursday October 22, 5.30 – 6.30pm which will be a fantastic way to hear more about UTCN Sixth Form from our Heads of Faculty and current Year 13 students. This is a virtual event, taking place via Zoom webinar, and it is important that you click [here](#) to sign up to ensure you have access to the event link at the advertised time.

We know that some students have already signed up to join UTCN Sixth Form next year, which is great. If you have any questions regarding the Admissions process, please do get in touch with the Admissions team using admissions@utcn.org.uk

Kind Regards
Julia Reynolds
Admissions Co-ordinator
