Dear parent or carer

Maths Sets

To better support students in the run-up to GCSEs, we have re-set the Maths classes for Year 11 based on recent assessments. When students return from the half-term break, they will join their new Maths groups as follows:

- Sets 1 and 2 are ability set classes for students expecting to sit the Higher tier Maths paper
- Sets 3 and 4 are mixed ability classes for students expecting to sit the Foundation tier Maths paper - please note that the ability levels are the same in both sets

If you have any concerns please get in contact with Mr Moyo, Head of Faculty: Maths
