

April 23, 2021

Dear Students/Parents

We are excited to inform you that all year 10 students are going to be taking part in a programme called 'Positive Futures' over four sessions. Positive Futures is an initiative run by Community Sports Foundation and they will be coming in to deliver sessions on mental health and coping strategies, healthy lifestyles, conflict resolution, social media and cyberbullying. These sessions will take place each Monday, starting on the 26th April. **Therefore, students should come to school in their full uniform and not their PE kit, this will not be needed.**

Following the difficult year that our young people have experienced we think it is now, more than ever, important to educate and empower our students in such topics as they begin their journey into independence and adulthood.

Kind regards
Mrs E Atkins
Behaviour and Attitudes Lead
