Dear Parent/Carer

Examinations Guidance

In preparation for the summer series of GCSE examinations we have available on the school website, the [Candidates Guidance for Examinations](#). Also available is the [How to Revise Guide](#).

Revision sessions

During the next half term there will be various exam preparation guidance assemblies and presentations. All Year 11 students have been issued with a GCSE Revision Guide.

Over the Easter and May half term holidays, there will be a variety of exam preparation sessions held in school for Year 11 and Year 13 students - please see the attached timetable for the Easter break.

This is an excellent opportunity for students to follow up on any subject areas they are not clear about, to revise specific topics or to complete coursework. Students attending do not need to wear uniform but must be dressed sensibly. The canteen will not be open during either holiday period. All students should register their interest to attend by printing off the timetable, highlighting the sessions they wish to attend and handing the form into reception. Paper copies of the timetable will also be available at reception.
