

Year 11 Newsletter - April 22, 2020

Dear Year 11 students/parents/carers,

I hope Year 11 students have been able to enjoy some rest and fun over the Easter holidays despite their limited freedom and that they are now back to using their time to prepare themselves as much as possible for their future studies.

Destinations

Our careers team are continuing with their hard work to provide students with support and advice about their next steps with education. If you have not already been in touch with them and would like some guidance, please contact Mrs Settle - beth.settle@utcn.org.uk

Results Day

In addition to the information regarding the determining of GCSE grades which was included in this week's Whole School Newsletter, we do now know when students can expect to receive their results. The GCSE results day for Year 11 students will be Thursday 20th August and I really hope that we will be able to welcome students into school to collect their results on this day as normal.

Leavers' Hoodies

Following the email regarding Leaver's Hoodies sent before the Easter holidays, I am nearing the point of hoodies being ready to order. The ordering and payment process will all be online through our provider. The cost is expected to be £22.75 (£21.25 if you choose not to have a nickname printed) and I will be in touch soon to signpost you to where you can order these.

"What did you do with your time during the Coronavirus pandemic?"

This is a question we expect many employers and education providers to be asking young people in the near future and I hope that our Year 11 students will have some good examples to talk about. Whether that be something they are doing to help others or a useful life skill which they are learning, it will be important to show that they have made the most of this time.

Despite the school building being closed currently, all UTCN staff remain ready to support students with all aspects of their learning and well-being. There are well-being posts being made regularly on Show My Homework and staff are all contactable via email should students wish to contact us for support.

Kind regards
Mr Hankinson
